### Description

#### Amazon Prime Video Recruitment 2023

As a UX designer and UI developer, you will work on designing and developing the user interface for our web applications.

#### Responsibilities:

- Collaborate with the product team to understand the needs of the users and design intuitive user interfaces that meet those needs.
- Create wireframes, prototypes, and finalized designs for the web application.
- Write HTML, CSS, and JavaScript code to implement designs.

(adsbygoogle = window.adsbygoogle || []).push({});

#### Qualifications:

- Strong understanding of human-computer interaction, graphic design principles, and web development techniques.
- Experience designing user interfaces for web applications.
